

We've got to stop meeting like this.

If we work together to slow the spread of COVID-19 and new forms of the virus, we will. Get vaccinated as soon as you can.

Both vaccinated and unvaccinated people should wear a well-fitting mask inside public places when the COVID risk to your community is high. Learn more at [cdc.gov/coronavirus](https://www.cdc.gov/coronavirus).

You can also protect yourself by:

- Keeping at least 6 feet away from people who don't live with you.
- Avoiding crowds and poorly ventilated spaces.
- Washing your hands often with soap and water or using hand sanitizer.

You have three ways to find vaccines near you:

- **Go to [vaccines.gov](https://www.vaccines.gov)**
- **Text your ZIP code to [438829](https://www.438829.com)**
- **Call [1-800-232-0233](https://www.18002320233.com)**
