STAY SAFE FROM COVID AT SCHOOL

Make sure you're up to date
with your COVID vaccines.*

Even mild cases of COVID-19 have caused damage to the lungs, heart, brain, and other organs. Young, otherwise healthy people can have health problems long after initial infection.

Getting vaccinated against COVID is the best way to protect yourself so you can safely attend school.

Find free vaccines near you:

- Visit [vaccines.gov](https://www.vaccines.gov)
- Text **your ZIP code** to **438829**
- Call **1-800-232-0233**

**Your state or jurisdiction may require parental/guardian consent for people under age 18 to get vaccinated.*
